

HAWAII ISLAND LANDSCAPE ASSOCIATION COVID-19 ANNOUNCEMENT

Aloha Hawaii Island Landscape Association members,

As you may be aware, in the past months since early January 2020, a virus known as corona virus now formally known as COVID-19 has spread from mainland China and has been confirmed as a pandemic. This pandemic has arrived in Hawaii. As part of HILA's mission in keeping our members, green industry members and our community and ohana as safe as possible.

The Hawaii Island Landscape Association does not take an official stance, interpretation or provide an opinion related to these matters, however, we want to provide information that may be deemed important for our members and community. Furthermore, the documents and links included in this document are not related to or reflect the stance of CTAHR.
