

2021 Landscape Continuing Education Hands-On Training Program:

Pruning Principles and Practices

DATE: August 7, 2021

TIME: 8:30 am to 11:30 am

LOCATION: Hapuna Beach Resort, 62-100 Kauna'oa Dr, Kohala Coast

Instructor: Diana Duff

Syllabus Outline: Overview of basic pruning terminology, and understanding the “why and how” in pruning shrubs and trees. Topics include: the correct way to prune a hedge; how to reduce the height of a large tree; common tools and how to keep them sharp. Also, hands-on practice identifying and making proper pruning cuts with the appropriate tools.
